We participate in the corporate customer programme of RDC AUTOZUG Sylt GmbH in accordance with the General Conditions of Carriage. Drivers of all vehicles that have been sent to RDC AUTOZUG Sylt GmbH with this declaration are authorised to use the programme (see attached overview and registration option). I agree that my e-mail address may also be used to inform me of significant timetable deviations (e.g. in the event of storms). I can revoke my consent at any time by sending an e-mail to firmenkunden@autozug-sylt.de. The contract period is one year and is automatically extended by a further 12 months unless the contract is cancelled in writing with 14 days' notice to the end of the contract (transmission by fax or e-mail is sufficient). RDC AUTOZUG Sylt GmbH reserves the right to adjust prices. Customers will be informed of a price adjustment 30 days before it comes into effect. The customer may terminate the contract extraordinarily after notification of a price adjustment with a notice period of 14 days to the adjustment date. The right of cancellation for good cause remains unaffected by this. The invoice for all journeys with a corporate customer card is issued at the end of the month and contains a list of the journeys made in the month to be invoiced, not a list of the journeys made when using a 10-trip card. Payment is made by invoice or direct debit.
